

Chain Lightning

When you imagine great Southern Rock, bands like Lynyrd Skynyrd, Molly Hatchet, Blackfoot and The Marshall Tucker Band will likely come to mind. When you think of great guitar rock, Stevie Ray Vaughan, ZZ Top and Kenny Wayne Shepherd float to the top. Chain Lightning melds these into a kickin show that will blow away the audience with heart thumping sound.

Chain Lightning was founded in 1994 by Gregory Lee (guitar) and Chuck Worden (former lead singer). For ten years they worked with many national acts like Lynyrd Skynyrd, Molly Hatchet, Marshall Tucker and many more.

In 1996 Chain Lightning released the "No Excuses" cassette. In 1999 Chain Lightning recorded their first CD "Ain't Just Whistlin' Dixie".

Chuck's untimely death in 2004 caused the band to reform over the years. Greg's sixteen year old son, Monty, joined the band and the stage is electric when the father/son duo play those screamin dual guitar solos. Recently the band has added a few new members that have lengthy histories on Minnesota's local music stages, Randy Johnston on drums, Jim King on bass, Jim Pritschet on keys/guitar and Tom Nordstrom (Nordy) on lead vocals. Adding soul to that southern feel are Chain Lightning's background singers

The Hipettes (Kathie & Melanie).
